

In Rochester, We Promise to Create the BEST Summer Meals Experience for Our Kids!

We take the health and wellness of our youth seriously.

We talk with youth about nutrition and how important food choices are to our health.

Daily activities are provided to get youth moving and fit.

We model health and wellness in our words and actions.

Our meals are served in an appealing way.

We handle meal components carefully so that food does not mix or look messy.

We spend time laying out food in a neat and organized way.

Youth are given enough time to settle down before eating and take their time once meals are served.

Our dining area is clean and inviting.

We exceed regulations for cleanliness standards.

Hand washing stations are complete and accessible.

The eating area is clean, bright, and not too noisy.

We work together and understand what is expected of us.

Our team members are trained and know their responsibilities.

Youth are supervised at all times.

We have open communication with our Summer Meals sponsor.

We treat our kids like they are our customers.

We interact with youth in a positive and encouraging way.

We encourage youth to try all meal items.

We don't let personal taste preferences negatively impact the choices youth make.
